Accessories Weight Distribution Shelf

Weight Distribution Shelf for AttaBox Series Polycarbonate Enclosures 16 x 8 Inch

Catalog Number	WD168
UPC	785928580192

DESCRIPTION

16W x 8D weight distribution shelf provides an extremely rugged support system when adding heavy equipment in polycarbonate enclosures. Ideal for support when adding a power supply, battery, or heavy equipment which could potentially deflect the enclosure bottom wall.

APPLICATION

- This innovative weight distribution shelf provides an extremely rugged support system when adding heavy equipment in non-metallic enclosures. Ideal for support when adding a power supply, battery, or heavy equipment which would otherwise deflect the enclosure bottom wall.
- Improves installation integrity by reducing potential for bottom wall deflection.
- Reduces enclosure and equipment maintenance and replacement costs due to damage from added weight

FEATURES

- Robust, thick aluminum shelf supported by enclosure side walls reduces risk of deflection of the enclosure bottom wall due to increase weight load

- Available as standalone SKUs or packaged with our enclosures.
- Hardware included
- Simple and easy installation with the use of common tools
