Stahlin Starke Series

Starke is a polycarbonate enclosure series in either opaque (ST) screw cover or clear (STCC) screw cover versions.

The flush sides of the enclosure make it a sought-after OEM design product. Raised bosses accommodate back panel mounting and are successfully used for remote sensor mounting and small electronic controls in any environment.

These modular enclosures offer a broad range of 72 sizes and are ideal as project boxes in both their opaque and clear forms.

Starke Series W - Opaque and Clear Cover
