POLYCARBONATE REPLACEMENT COVERS

STAHLIN
A ROBROY Brand

REPLACEMENT COVERS FOR USE WITH ATTABOX® AND ATTABOX SL POLYCARBONATE ENCLOSURES

Stahlin's polycarbonate replacement covers are designed for AttaBox and AttaBox SL enclosures when a replacement or spare part is required. They are impact resistant, provide superior environmental protection, and can be easily installed without the use of tools or hardware by utilizing the enclosure's self-guiding arrow and hinge barrels for alignment.

Covers Available in Opaque and Clear
